

JK TABLE

SIDE TABLE

design Jun Kamahara

2019

Available in two versions, with a squared and circular top, JK side tables are characterised by a particular lightness thanks to the slim section of the top in solid walnut and the steel power coating structure and hairline stainless steel acrylic urethane coating structure. Their minimalist design is embellished by the slightly upward curving corners of the squared top and by the bevelled edge of the circular version.

MATERIALS

Top: Solid Walnut
