REVIEW

The pleating of the headboard on Cattelan Italia's Marlon emphasises its softness

Desalto's Strong is a collection of stools, bar table, chair and table using steel tubing

Top of the world

Salone saw 386,236 visitors, a 12% increase. Here are the highlights.

Visit: www.salone-milano.it

De Padova's Metallaro steel table has been treated to give a unique weathered look

Cappellini's Cap Martin Sunset evokes the mood of the South of France in the 1950s

Minotti's Daniels seating system redesigns living areas with new compositions, in which regular curves and ellipses interrupt the linearity of the layouts

Zanotta's Shiki sofa and modular system is inspired by futons

Visionnaire kept things simple with its steel-framed marble Mondrian table

Twills' soberly retro style of Revival has been given a contemporary makeover with different-sized elements, with armchairs, practical footstools, and now a chaise longue too

Porada's Vera has a walnut frame and leather back

A decade after the Houdini chair, e15 introduced the companion Mr Collins stool

Alivar's Zoe embraces the sitter in its precise geometric styling

REVIEW

Moroso's Gogan is inspired by Japanese stones rendered smooth by time and water

Natuzzi's Ergo collection recalls natural biological features, with their pure uncontaminated essence

Desiree's Easton is a modular system featuring an aluminium frame for a sense of lightness

Seletti brought its first storage furniture to its Seletti Wears Toiletpaper brand

Tartan is one of three designs in Toulemonde Bochart's Organic rug collection

Vondom's Love chair is available in adult and children's sizes

Punt's Hug offers a variety of leg and frame options

Knoll's Smalto table collection uses enamelled steel

Molteni&C's Surf has all-in-one seats and backs, with rounded forms supporting snug, slightly protruding backrests

B&B Italia marked the 40th anniversary of Dieses with new leathers and fillings

Ritzwell reintroduced its JK chair after 15 years alongside the new JK side table and the Jabara audio-visual unit

REVIEW

The backrest section of Royal Botania's Tuskany outdoor day bed can be raised at the flick of a switch

Lema's Ella console table contrasts the lightness of the structure in bronze metal that appears to be floating and the solidity of the drawers in heat-treated oak

Kartell's Be bop traces the lines of the most traditional carved African stools and merges them with American design. The gold finish is for indoor use only.

Internoltaliano's Cave seat and Gioi table are made from terracotta so they can 'take on charm, ageing gracefully while freely braving the elements'

The backrest cushions of Doimo's Newton can be moved to wherever the user wants

MDF Italia marked the 10th anniversary of the launch of Flow with Flow 10th, with a base in methacrylate that seems to dematerialise, thus giving the illusion of a floating seat

Natevo's wall-mounted CCCube can be fitted with flap doors, drawers or left open to display the contents and it has rear lights to soften its appearance

Plank's Land is a collection of chairs and stools available upholstered or in plastic

Porro's Lullaby evokes the comfort and act of cradling

Selva's Bali says come and sit down with its sinuous lines

The headboard of Bonaldo's Madame C bed is formed from three slightly overlapping cushions

Poltrona Frau marked its centenary with a new version of its 1919 chair, with a lower and wider seat, higher backrest and a footstool

Living Divani's Greene is defined by gentle curves for a relaxed and casual proposal
